

**Regina Health Center, located at 5232 Broadview Road, Richfield, OH, 44286 is a Health Care Facility of the Sisters of Charity of St. Augustine Health System.**

**Regina Health Center** has 54 Assisted Care units and 101 Nursing Home beds. Based on our certification, priority of admission is given to members of religious congregations of women and men, their relatives, and others on a space available basis.

**Regina Health Center's nursing home beds are certified for Medicare, Medicaid and private pay.**

We accept residents for **short term rehabilitation and/or long term placement**. We provide in-patient physical, occupational, and speech therapy, as well as other skilled services.

The therapy department also accepts referrals for **geriatric outpatient rehabilitation**.

### **Regina Health Center Admissions/Re-Admissions**

Admissions are preferred Monday through Friday before 2 PM.

Requests for weekend admissions will be considered if the Physicians' Referral Information form is faxed to us before noon on Friday.

The following RHC staff persons process all requests for Admission and Re-Admission. Ask for these offices in this order.
