

# Regina Health Center Celebrating Our 30th Anniversary

Regina Health Center was a pioneer as one of the first inter-congregational skilled nursing and assisted living facilities in the United States when it opened in 1993 in Mount Augustine, the motherhouse for the Sisters of Charity of St. Augustine that was built in 1955. In the early 1990s, the Sisters raised more than \$7.5 million to renovate and convert much of the facility, collaborating with 22 Catholic religious congregations to ensure the long-term health care needs of religious sisters, brothers and priests would be met with high-quality health care services in opening Regina Health Center.

We welcome gifts to the Regina Health Center 30th Anniversary Fund to enhance the building, capital project needs, repair and replacement needs. We are also focusing on growing the Regina Health Center Endowment Fund. Currently with just over \$1 million, this fund will sustain programs, education scholarships for staff and meet the ever-growing health care expenses for our religious residents who rely fully on Medicaid and Medicare funds.

## Regina Health Center 30th Anniversary Celebration Honoring Sister Judith Ann Karam, CSA

A recognized and respected leader in Catholic health care both regionally and nationally, Sister Judith Ann Karam, CSA, is the Congregational Leader for the Sisters of Charity of St. Augustine and Chair of the Public Juridic Person for the Sisters of Charity Health System. She has extensive experience in health care as a pharmacist and administrator, including being instrumental in the opening of Regina Health Center. Sr. Judith Ann is a Lifetime Fellow in the American College of Healthcare Executives and served as president and CEO of the Sisters of Charity Health System from 1998 to 2013. She has served on numerous local and national boards, including as Class A Trustee of the General Services Board of Alcoholics Anonymous for Canada and the United States, and as the 2015-2016 Board Chair of the Catholic Health Association of the United States. In 2018, she was inducted into the Ohio Hospital Association (OHA) Health Care Hall of Fame.
